Good morning Ms Volin. We acknowledge receipt of your petition. However, the basis of your appeal is not clear. From the information you provided, it does not appear OSB has denied your request (which would be reviewable under ORS 192.411(1)). Nor does it appear you are appealing the denial of a request for a fee waiver/reduction (reviewable under ORS 192.324(6)). Can you please clarify? Thank you.

Regards,
